## POINT MENSUEL DES PAYS À RISQUES

---

### THE SSF MONTHLY REPORT ON HIGH-RISK COUNTRIES

Summary of alerts – Countries to monitor –  
Calendar

# Focal points in May

Burkina Faso	<b>Large-scale jihadist attacks and secondary towns seized</b> demonstrating a change in strategy; increase in fatal violence targeting civilians attributed to the <b>army and vigilante militias</b> .
United States	<b>Increase in socio-political tension in relation to the situation in the Gaza Strip</b> , illustrated by <b>targeted attacks</b> , specifically on two staffers of the Israeli Embassy in Washington DC 21 May and a rally in support of the Israeli hostages detained by Hamas held in Boulder (Colorado) 1 June.
Libya	<b>Renewed tension and armed clashes in Tripoli</b> following the assassination of the commander of the Stability Support Apparatus (SSA), which was in control of one of the main areas of the capital, 12 May.
India/ Pakistan	<b>Ongoing tensions running high between the two countries</b> with an escalation in strikes and exchange of fire in border areas at the start of the month. Relative calm following the announcement of an <b>immediate bilateral ceasefire</b> 10 May, but the security situation remains highly volatile.
Sudan	<b>Further escalation and extension of the conflict with an increase in drone attacks carried out by the paramilitary</b> targeting strategic infrastructure in cities in the north and east of the country positioned away from the frontline, such as Port Sudan, the de facto headquarters of the junta-led government.

## Countries to monitor in June

South Korea	<b>3 June:</b> snap presidential election – Increased security should be expected in the period after the elections
Muslim World	<b>4 to 9 June:</b> Hajj pilgrimage to Mecca (Saudi Arabia) and Eid al-Adha 6 June – Travel disruption and security reinforcements should be expected
Philippines	<b>11 June:</b> Senate set to examine a resolution for the impeachment of the vice president – Increased security and political rallies should be expected, along with a risk of incidents.
Mexico	<b>15 June:</b> definitive results of the judicial and municipal elections held 1 June – Risk of continued intimidation, threats and violence targeting candidates
Ivory Coast	<b>20 and 21 June:</b> RHDP ruling party congress in Abidjan and publication of the definitive electoral list for the presidential ballot

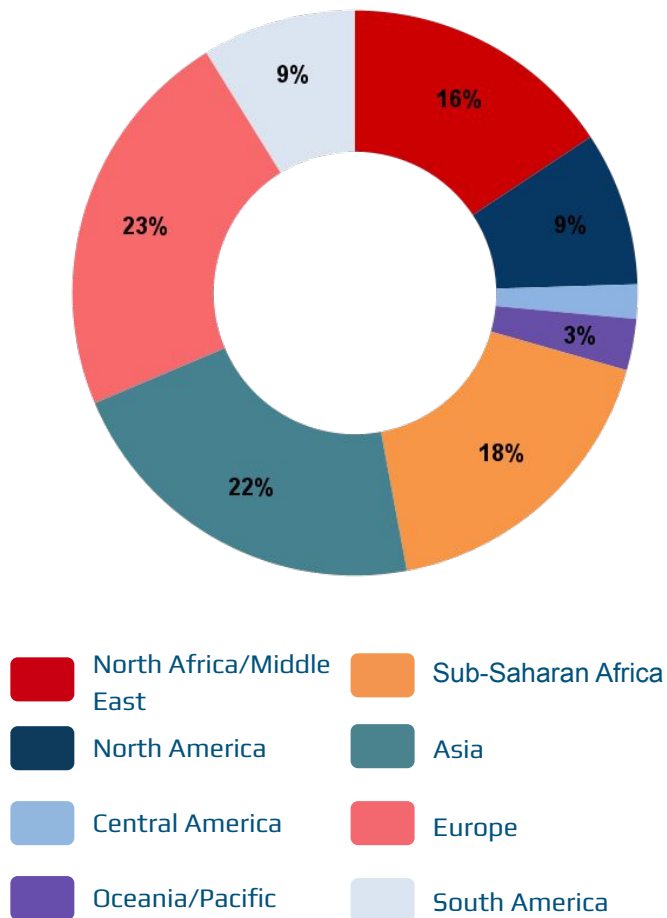

# Summary of Alerts

+1,060 alerts  
+44 classified critical or urgent

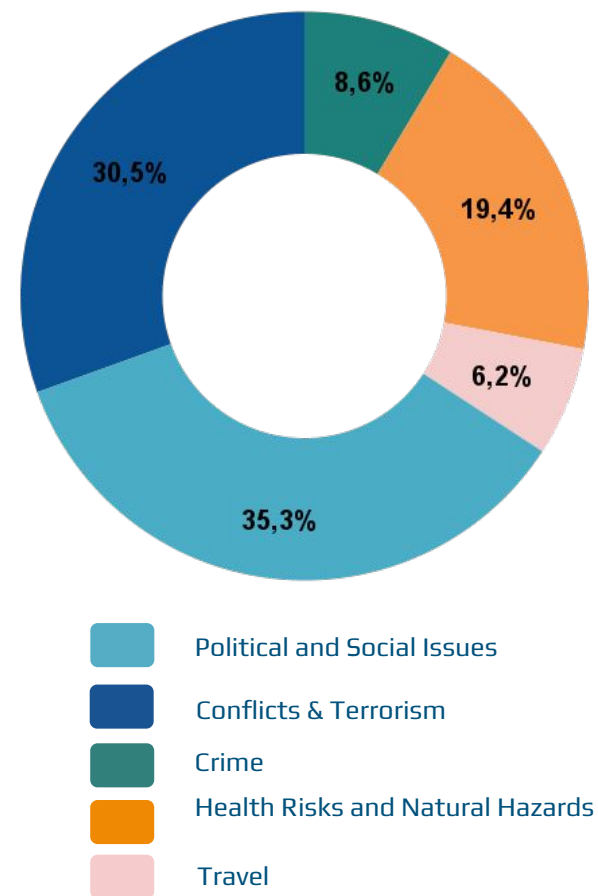

In May 2025, SSF issued a total of **1,060 safety-security alerts** concerning all kinds of risks in order to inform its customers of the latest events likely to have an impact on their interests and the safety or security of their employees throughout the world. The alerts covered **143 countries**.

GEOGRAPHIC DISTRIBUTION

**44** of the alerts were classified as either **critical or urgent**, which specifically activate our 24-hour Security Operations Centre (SOC).

TYPE OF RISK

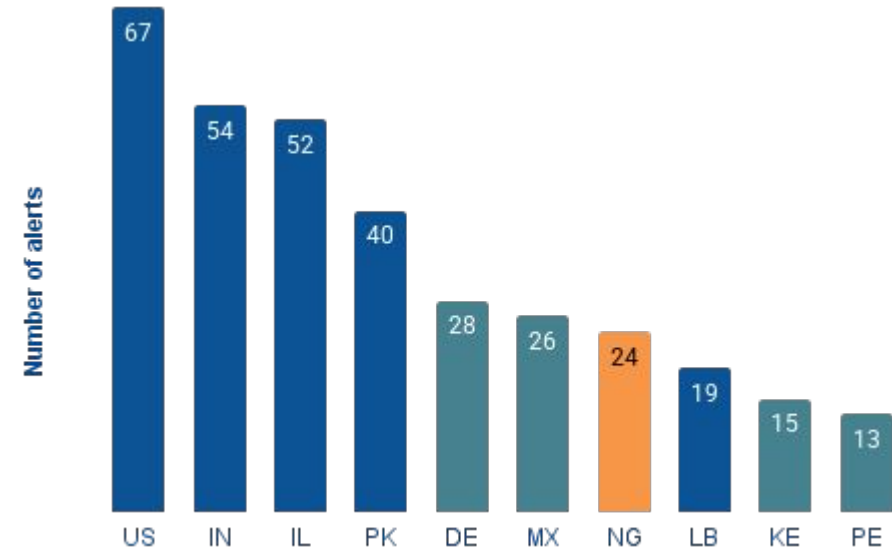

# 10 countries to monitor

The countries that accounted for the highest number of alerts sent by SSF in May 2025 are the **United States, India, Israel** and the **Palestinian Territories, Pakistan, Germany, Mexico, Nigeria, Lebanon, Kenya** and **Peru**.

In total, these 10 countries generated **338 safety-security alerts**, representing **31%** of all the alerts sent over the last month.

Countries engaged in long-term warfare or with extremely high levels of insecurity in general (Afghanistan, Libya, Syria, Yemen, Somalia, Sudan and Ukraine) have been deliberately excluded from the list.

Number of alerts issued in May 2025 and main risk factor according to country

## Germany
